

## *Vision of St. Lucie County*

*St. Lucie has a Vision for its future. This Vision for Fort Pierce, Port St. Lucie, St. Lucie Village and the unincorporated areas defines the St. Lucie of 2010 and beyond. This Vision provides:*

- ✓ An education system and business partnership that provides a work force competitive in the global economy;*
- ✓ An uncompromised quality of life for all ages and cultures to live, learn, work, and play;*
- ✓ A public/private partnership that creates a political and business climate conducive to economic development and high quality job growth while protecting our natural environment;*
- ✓ Infrastructure that supports the education, quality of life and economic development Visions;*
- ✓ Streamlined government with minimum duplication of services; and*
- ✓ A public/private partnership providing the leadership to achieve our shared Vision for education, quality of life, economic development, infrastructure, and government.*
